Investment Objective and Policy

The Fund is designed for investors seeking security of capital and daily liquidity together with an investment return.

The Fund's principal objective is to maximize income while attempting to minimize the risk of capital deterioration. The Fund aims to achieve its objective by applying a diversification strategy focused on high-quality fixed-income instruments with an average duration of one to three years. The investments of the Fund may include other mutual funds and/or collective investment schemes managed by the Manager or by one of the companies within the HSBC Group. Investment selection is based on stringent criteria established by the Manager and includes quantitative and qualitative evaluation of all prospective and continuing investments.

The Fund will endeavour to obtain and maintain, a "Double A" rating from one of the two most recognized rating agencies. The Manager will ensure that the Fund will invest in securities which are consistent with maintaining this rating. The rating is not intended to evaluate the performance of the Fund with respect to appreciation, volatility of net asset value or yield. Investors should note that ratings of the Fund from external rating agencies are financed by the Fund.

The following credit portfolio requirements shall be maintained:

Long Term Rating Category Range	Maximum Operational Limits
Triple A	100%
Double A	70%
Single A	50%

All securities in the Fund will have a minimum long term rating of single A (inclusive of A-/A3) or higher. The terms of the Fund are as follows:

Dividend Policy

The declaration of dividends is at the discretion of the Directors. It is the present intention of the Directors of the Company to declare quarterly dividends with respect to the Class AD Shares of the Fund, the amount of which may

fluctuate depending on market conditions. It is the policy of the Directors to distribute the net income from the underlying investments of the Class AD shares of the Fund.

It is the intention of the Directors of the Company not to make distributions of net income to holders of the Class AC and Class CC shares of the Fund. Accordingly, shareholders will not receive dividends in respect of Class AC shares or Class CC shares of the Fund. Income and profits are accumulated and reflected in the daily Net Asset Value per Share of the Class AC and CC Shares.

Investment Restrictions

The Directors intend that the Company shall not for the account of the Fund:

- a. acquire securities or instruments with an unexpired maturity or interest rate refixing date of more than 5 years and 1 month;
- b. invest more than 10% of the value of the net assets of the Fund in securities issued by any one body corporate or group of companies (except for securities issued by the government of an OECD country, supra-national entities and securities issued by agencies backed by such governments or supra-national entities and for Triple A rated money market funds). In the case of securities with a rating of Single A, the limit is reduced to 5%;
- c. make loans (except to the extent that the acquisition of an investment might constitute a loan) or guarantee the repayment of loans other than the making of deposits with the Banker or any bank or deposit-taking institution approved by the Manager;
- d. invest in real property, commodities or commodity contracts;
- e. invest more than 15% of the net assets of the Fund in asset backed securities;
- f. acquire any asset or investment which would involve the assumption of unlimited liability unless a corresponding hedge transaction is entered into in respect to that asset or investment;
- g. make investments which will result in the Company exercising legal or management control of any underlying investments; and
- h. sell securities short, buy securities on margin or buy, sell or deal in options in securities or warrants except for the purposes of hedging

The Directors intend to adopt additional restrictions on their investment powers in respect of the Fund as may be set out from time to time in the Prospectus.

Risk Factors

The risk factors relating to the Company and the Fund are set out in the Prospectus. In addition, the following specific risk factor applies to the Fund:

Changes in Interest Rates

The value of Shares may, notwithstanding the policy of the Fund of investing in short-term instruments, be affected by substantial adverse movements in interest rates. This may result in the amount realized on the sale of Shares being less than the original amount invested.

Fees, Charges and Expenses

Management Fees

Under the terms of the Management Agreement, the Manager is entitled to receive from the Company in respect of the Fund, a monthly management fee of up to 1% per annum of the average of the daily value of the net assets of the Fund during the month (the "Management Fee") and to be reimbursed its out-of-pocket expenses.

The Manager, out of the management fee it receives for its services, shall be responsible for the payment of the fees and expenses of the Custodian and the Administrator. The management fee attributable to each Class of Shares of the Fund, expressed as a per annum percentage of each Class' Net Asset Value is currently as follows:

Class AC Fees	Class AD Fees	Class CC Fees
0.40%	0.40%	0.25%

The Manager is entitled in its absolute discretion to increase (or decrease) this percentage from time to time up to a maximum Management Fee of 1.0% per annum for the Fund. The Manager may also rebate any Management Fee, either generally or in any particular case, in its sole discretion. The Manager may also waive any Management Fee for the whole of a Share Class in its sole discretion.

The Management Fees is accrued at each Valuation Point and paid monthly at the Class level. The Management Fee is calculated by taking the 'net asset value before variable accruals' at the Class level multiplied by the annual fee rate per class level (as set out above); divided by 365; and multiplied by the number of days in the valuation period.

Other Expenses

The following expense shall also be borne by the Fund: -

1. Financial index licensing fee.

Listing

The Shares of the Fund issued, or to be issued, have been or will be listed on the Bermuda Stock Exchange. It is not anticipated, at this time, that the Fund Shares will be listed on any other stock exchange.
